The Delta R-V Public School Foundation exists to enhance and support the students and school community of Delta R-V School District by providing funds for all aspects of Delta R-V schools, including but not limited to project needs. This foundation provides an opportunity for alumni, businesses, and community members to contribute to the well being of our school system.

The Delta R-V Public School Foundation was formed in 2002 to coordinate tax-deductible contributions from supporters of the Delta R-V School to provide additional resources to meet the needs of the district. For more information about supporting the foundation please feel free to contact any of the above listed members.
