## **Delta RV Schools Return to Learn Plan**

The Delta RV School District is committed to providing a quality education to all students in a safe, healthy environment. This plan was developed in conjunction with the Cape County Health Center and is based on recommendations from the Missouri Department of Elementary and Secondary Education and other sources. The goal of this plan is to mitigate the risk of exposure to COVID-19 and other illnesses by reducing contact while at school. It is impossible to completely eliminate all risk of exposure.

### **Screening**

Parents are asked to screen their children at home, prior to sending them to school. Students and staff who exhibit symptoms of COVID-19 are asked to stay at home and report the absence to the school office. These symptoms include but are not limited to:

- Fever over 100.4 degrees, without a fever-reducing medication
- Cough
- Headache
- Muscle aches
- Nausea, vomiting or diarrhea
- New loss of taste or smell
- New runny nose or congestion
- Shortness of breath or difficulty breathing
- Sore throat

Anyone who has had close contact with a person with COVID-19 should follow Cape County Health Department Guidelines.

### **General Procedures**

All staff will be provided a face shield or cloth face covering to be worn daily. Masks are required at this time for students older than 9. Masks will not be required at all times only when social distancing can't be observed. If students bring a mask, it is the responsibility of the individual to maintain the mask. All masks must meet school dress code guidelines.

Hand sanitizing stations will be available in classrooms and key locations in buildings.

Hand sanitizing stations will be available on all school buses.

Increased cleaning procedures have been implemented, including routine classroom sanitation and increased sanitation of restrooms, high-touch areas and playgrounds using an electrostatic sprayer.

Water fountains are disabled. Bottle filling stations are available in all buildings. Students should bring an unopened or empty water bottle with them to school.

### **Transportation**

Bus transportation is necessary for children to get to and from school safely. Risks for both students and drivers should be mitigated. Parents/caregivers should prioritize a safe alternative mode of transportation when available to optimize physical distancing on the bus.

#### **Bus Driver**

- Bus driver should always wear a cloth face covering.
- Bus driver can consider wearing a face shield if it does not inhibit driving.
- Installing a physical barrier (e.g. plexiglass) between the driver's seat and students can be considered.

#### **Students**

- Buses should be loaded from back to front or have assigned seats.
- Family units should sit together.
- All children should wear a cloth face covering.
- Windows should be opened (weather permitting) to allow for airflow.
- Students should use hand sanitizer upon bus entry and they will get their temperature checked.

#### **Food Service**

Breakfast and lunch may be eaten in the cafeteria (with increased distancing), classrooms or alternate locations.

Lunch shifts will have minor adjustments. This will allow for better distancing practices during all phases of meal times. Students will be seated five to a table.

Hand-washing/sanitizing will be available before and after meals.

#### **Classroom Procedures**

Student seating will be arranged for social distancing to the extent possible. Some areas may be separated by clear dividers to limit contact.

Staff will limit close proximity group interaction to the extent possible.

Students will be kept with their cohort group to the extent possible. This is more easily done in lower grade levels. Upper grade level students will have to wear a mask in areas where social distancing and cohort groups are not possible.

#### **Playgrounds/Recess**

Playground equipment will be sanitized often using an electrostatic sprayer.

Social distancing will be encouraged.

Cohort groups will be kept together to the extent possible.

Hand washing/sanitizing will be available before and after recess.

### **School Supplies**

Supplies will not be shared to reduce exposure to germs. Each child is asked to have the necessary supplies for school. Please label the supplies with your child's name. If you can't provide school supplies, please let us know. We will make arrangements for your student.

- Students will need labeled water bottles and headphones.

### **Visitors**

Non-essential visitors/volunteers will not be allowed in the school during school hours.

If necessary, visitors will be asked to make an appointment and may be screened prior to entry.

### **Athletics/Activities**

All MSHSAA teams and activities groups will follow MSHSAA guidelines.

Equipment will be sanitized before and after use.

All event guests will be encouraged to maintain social distancing.

### **Health Services**

Each building will have multiple thermometers available to use for screening children for temperature, as needed.

Children exhibiting symptoms of illness will be sent to the nurse.

Students exhibiting symptoms of COVID-19 will be isolated until picked up. The isolation area will be sanitized following each use.

Parents will need to immediately pick up their child or make arrangement for your child to be picked immediately.

### **Positive Cases**

Upon confirmation of a student/staff member with a positive COVID-19 diagnosis, the District will work with the Cape County Health Center to implement protocol. Decisions regarding quarantining and testing of additional individuals will be determined by the Cape County Health Center. In the event of student group quarantining, continuation of instruction will be provided through remote learning. All teachers will have an electronic platform for student learning. Please refer to our AMI-X plan for remote learning. It is located on our district website underneath the parent tab.

*\*\*\*This document is subject to change as new information is obtained and local, state and federal regulations are implemented.*

## **Dress Code**

Pre-K Students:

Students must wear attire appropriate for the occasion. No thin strap tank tops or thin strap dresses may be worn. (Unless covered with a sweater or jacket) Comfortable tops (T-shirts), shorts/pants, and tennis shoes are recommended. This makes playground activities, bathroom times, and other activities easier for children. Flip flops with straps on the back can be worn.

## **Delta RV Preschool Philosophy**

Daily routines at Delta RV Preschool motivates children to engage in many active learning experiences. These experiences enhance children's development in cognitive growth, fine and gross motor skills, social competences, language and literacy skills, creative expression and sensory integration.

The physical environment will promote bright beginnings in the Delta RV Preschool as well being organized and safe. Safety and nutrition are incorporated into the developmental curriculum. Each week families receive a newsletter discussing what we are learning about for the week! The learning environment is designed to offer larger and smaller spaces for learning. Gross motor movement is encouraged through a variety of indoor and outdoor play equipment. Daily small and large group times are implemented which includes - calendar, weather, discussion, exercise, rhymes, music, dance and much more.

Daily activities encourage learning and problem solving, as well as logical thinking skills such as classifying objects, comparing/measuring, arranging objects in a series, pattern recognition, awareness of time concepts and sequence, awareness of position in space, one-to-one correspondence, and using numbers and counting. Opportunities are given to encourage representational and symbolic thought either through creative expressive activities such as art activities and projects, but also through unstructured opportunities for dramatic play.

For language, activities encourage oral self-expression, answering and asking questions, following oral directions and conversations. Reading and writing skills are also included, such as listening to stories and participating in story time discussions, understanding of print concepts, beginning knowledge of the alphabet, phonic concepts, phonemic awareness, the use of emerging reading

skills to make meaning from print, and writing letters and words. Activities are provided in a fun and creative manner both in large and small group settings.

Teacher-child interactions communicate acceptance, respect, and trust with each child as well as respect for basic group expectations. Positive guidance strategies are utilized to encourage respect, care, and social responsibility for each other. We stress the importance of positive interactions and the appreciation of one another.

Delta RV Preschool is committed to preparing children for Kindergarten in an environment that increases their enthusiasm for learning.

## **Curriculum**

Delta RV Preschool has adopted Creative Curriculum as a foundational piece of our program. Creative Curriculum is an interest-based early childhood curriculum designed to foster the development of the whole child through teacher-led small and large activities. Creative curriculum fosters curiosity and incorporates age-appropriate activities. In addition, the Heggerty Phonemic Awareness Curriculum is utilized to promote literacy development.

**To attend this Program, the Delta RV Preschool has the following important guidelines to follow:**

## **Attendance/Absences**

- Be responsible for making sure your child attends school every day. Due to the limited number of Preschool enrollment spaces, it is important that your child is here. Regular attendance will support your child's preschool attendance. If your child is absent, please call the school office. If absent more than two consecutive days due to sickness, the student will need to have a doctor's note. If you do not, this is considered unexcused. Because space is limited, it is also important to remember that five (5) unexcused absences from school each semester may result in your child's dismissal from this program. If your child is out for illness, it is our school district's requirement that you not allow them to return to school until they are fever/vomit/diarrhea-free for 24 hours. It is important that children are in class the entire day. Children who arrive late or leave early miss out. We

understand that children occasionally need to be late or leave early, but please make every effort to assure your child is in attendance.

\*Due to covid-19 unexcused absences over 5 days per semester may be forgiven. This is up to the discretion of the building administrator. It is also especially important to keep your child at home if they have a fever.

### **Behavior Expectations**

- Delta RV School has a strong tradition of academic success as well as strong character with our student body. Preschool students are no different. Classroom behavior expectations are imbedded within the academic curriculum and will be embedded within instruction as well.
- A behavior management plan will be implemented in the classroom. A child's behavior progress will be communicated on a regular basis.

### **Potty Training**

Your potty-trained child ...

- Will tell the teacher he/she needs to go the bathroom.
- Is able to go to the bathroom (urinating and bowel movement) on their own. This includes being able to remove clothing, sitting on the toilet, wiping himself/herself, putting clothing back on, flushing the toilet, and washing and drying hands.
- Is aware of the need to use the toilet without reminders from the teachers.
- Will not be in diapers or pull-ups at all. He/she must be in regular underwear.

We are aware that accidents happen. That is why we ask you to keep a change of clothing at school. However, if your child has reoccurring accidents while they are in school, we do not consider your child to be potty-trained. The student will be sent home until completely potty-trained.

## **Head Lice**

The procedure listed below will be in effect to control the spreading of head lice at school:

If head lice/eggs (nits) are discovered on a student, the student will be removed from the classroom and the parents/guardian will be called to remove the student from school.

2. When head lice/eggs (nits) are discovered on a student, all siblings attending school will be checked.

3. Parents will be provided information concerning procedures to eliminate the head lice.

4. After treatment is completed and prior to returning to the classroom, the student must come to the nurse's office for an examination. If eggs (nits) or lice are found, the student will not be allowed to return to the classroom.

Students cannot attend school unless the school nurse or designated school person has determined that they are free of eggs (nits) and/or head lice.

## **Dismissal Policy**

All responsible efforts will be made to meet the needs of the individual students attending the preschool program; however, a student may be dismissed by the program for any of the following:

- A student has frequent stool/urination accidents (2 or more accidents a week)
- A student who demonstrates an inability to benefit from the care offered by the teacher or whose behavior is detrimental to the other children. If your child has been sent to the Principal's office twice or more during a weeks' time for misbehavior (e.g., running away, fighting, biting, verbal abuse, or deliberately hurting another student or staff), there will be a meeting between the parent(s)/guardian(s), Principal, and Teacher to discuss a further plan.

- Excessive unexcused absences could result in dismissal. A letter to the parent would be sent and parent meeting attempted prior to dismissal.
- Care of a student may be discontinued if the provider and the parent(s) cannot establish a mutually satisfactory working relationship.

### **Breakfast and Lunch Program**

Studies have shown that children who are not hungry perform better in school. The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meal programs.

If you have any questions about the program, please feel free to contact us at 573-794-2440.

Students in grades PreK-12 are allowed to charge up \$20.00 for lunch. If students already owe the maximum allowed, the student will be offered a peanut butter sandwich and carton of milk at no charge to their account. There is no breakfast alternative after the allowed \$20.00. Parents are responsible for monitoring the amount of money in their child's account and for paying back any charges incurred.

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Delta R-V School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Delta R-V School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Delta R-V School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians.

Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Delta R-V School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at Delta R-V Elementary during regular school hours.

## **504/TITLE II PUBLIC NOTICE**

The Delta R-V School District, as a recipient of federal financial assistance from the United States Department of Education and operates a public elementary or secondary education program and/or activity, is required to undertake to identify and locate every qualified person residing in the District who is not receiving a public education; and take appropriate steps to notify disabled persons and their parents or guardians of the District's duty.

The Delta R-V School District assures that it will provide a free appropriate public education (FAPE) to each qualified disabled person in the District's jurisdiction regardless of the nature or severity of the person's disability. For purposes of Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act, the provision of an appropriate education is the provision of regular or special and related aids and services that (i) are designed to meet individual educational needs of disabled persons as adequately as the needs of nondisabled persons are met and (ii) are based on adherence to procedures that satisfy the requirements of the 504 federal regulations.

The Delta R-V School District has developed a 504/Title II Procedures Manual for the implementation of federal regulations for Section 504 of the Rehabilitation Act, Subpart D. This Procedures Manual may be reviewed by contacting Polly Koch, 504 Coordinator, at 573-794-2440 when school is in session.

This notice will be provided in native languages as appropriate.

### **Notification of Rights under FERPA for Elementary and Secondary Schools**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Delta R-V School receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Delta R-V School to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Delta R-V School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))

- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as "directory information" if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))
- To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K))

However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. ## Snow Routes

In the case of a delayed start, buses will run two hours later and school will officially start at 10:00 a.m. However, staff will be at school at 7:30 a.m. in the event you need to drop your child off before you go to work.

When school is in session but weather conditions make some roads dangerous for school buses to travel, it may become necessary to activate **snow routes**. These routes may also be used on a modified school day due to weather conditions. The following roads (or specified areas on these roads) will **not** be traveled by school buses when snow routes are in effect:

### **Dutchtown, Allenville & Delta (No Change) – Mr. Weber**

### **Crump & Whitewater (Modified) – Linda Hornbuckle & Hutson/Crabtree**

Students on county road 255 will be picked up at the block hole by Hutson/Crabtree. Students living on county road 379 and 389 will be picked up at the old store in Crump by Lina Hornbuckle.

The Bartels kids, Megan Miller, and Austin Keys will need to meet at the FS on Highway A in Whitewater (the old Co-op store in Whitewater). Linda will pick them up on bus 1.

All other students in Whitewater need to meet at the First Baptist Church on the corner of Henderson and West Main (this is the church by the park). Linda will also stop in and pick all of these students up on bus 1 after she has stopped at the FS store.

### **Block Hole & Nut Junction (Modified) – Hutson/Crabtree**

Students in Bollinger county roads 440, 442, and Cape county road 394 will be picked up at the block hole. Goldsberry and Kranawetter will meet at the block hole. County road 256 will be picked up at the Amen Center by Trever Glaus.

### **Arbor Hill & Randall's (Modified) – Frank Brown**

Students on county road 254 will be picked up at the Amen Center. The Scherer kids would need to be brought to the bottom of the hill by intersection 261/262.

If our buses are traveling snow routes or school is delayed, announcements will be made through the following media site: KFVS-12. Notifications will also be sent through *Remind 101*, and will be posted on the Delta R-V School District Facebook page.
